

Miranda was working bush working her hard job, while also trying to feed her kids.

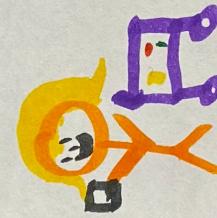

She is a single mom and has been struggling to make meals that are healthy and affordable

Miranda works a lot of hours and barely has enough time to make dinner

Miranda tells her friend about her issues, and her friend spurs an idea to create an app to help her find healthy recipes at an affordable price.

Now her kids are happy and eating healthy, and Miranda isn't spending as much time or money worrying about what her family should eat!
